Joe Abele

Web Developer – *joeabele.me*

200 Beekman St
Saratoga, Springs, NY
(917) 363-9324
josephabele2@gmail.com

PROJECTS

abelecommercial.com
HTML, PHP, CSS, WordPress
I built the website for my family's company.

– Custom theme with my own JS and CSS.
– Handles maintenance requests and all tenant inquiries.

Romance Translator
HTML, CSS, JavaScript, APIs
– Translate words into four Romance Languages.
– Interact with 3rd party translate API

LeaseMaster
JavaScript, Node, Express, MongoDB, Mongoose, Bootstrap
Full-stack application that I built to track the leases I oversee.

– Add, edit or delete leases.
– Get updates about expiring leases.

WORK HISTORY

Abele Commercial
March 2015 – Present

– Build and maintain the company website.
